TOTAL INCOME

NHQ/FMF will issue a form 1098-C, Contributions of Motor Vehicles, Boats and Airplanes to the donor not later than 31 January of the year following the year of donation, based on the information shown on the acknowledgement provided by the wing or region receiving the donation.

#### SECTION C – SUGGESTED FUND RAISING ACTIVITIES

### 11. The following are suggested activities for fund raising or donations:

- a. Combined Federal Campaign (CFC). Each fall (Oct-Nov) local federal activities conduct one fund raising campaign among federal workers for all private charities. Civil Air Patrol is a federally tax exempt 501(c)(3) organization that meets CFC health, welfare and human welfare service criteria. This means that federal employees may designate CAP or any unit as the recipient of an annual donation. Local CFC campaigns may publish a list of eligible organizations. If possible, units should attempt to be included. If not included, CAP is still eligible and CAP units may attempt to publicize its eligibility throughout local federal organizations. CAP units may send flyers or letters through federal organizations' distribution systems indicating 1) your eligibility, 2) your service to the community and 3) a request for donations. Appropriate documentation is available to all CAP units upon written request to the NHQ, Director of Development.
- (1) Each federal employee receives a CFC contribution form that permits donations to a) organizations on the local CFC list or b) an organization not on the list. If CAP or a CAP unit is not on the local list, encourage all federal employees to write in CAP or the local unit.
- (2) The CFC can be a valuable source of funds for local CAP units. Federal organizations that conduct CFC campaigns include all federal agencies, not only DoD agencies.
- **b.** United Way Campaigns. These are conducted in many local areas and are very similar to the CFC campaign except they are nonfederal in nature. CAP units may be eligible to receive donations from United Way Campaigns in their local area depending on local rules and activities of the CAP in that area. Check with your local United Way office. Please contact the NHQ Development Office for necessary documentation for application.
- c. Foundations/Corporation Grants. Commanders should utilize the services of the CAP Development office for assistance. Grant requests should be based on specific needs, that is, search and rescue equipment, cadet program operations, scholarships for cadets, etc., and specific trips for cadets to National and region activities. Most corporations and foundations require a written application and may require some monitoring of funds to ensure they are properly used. Care should be taken to preclude duplication of solicitation of grants from the same organization. Grants and donations from corporations and foundations can provide significant amounts of money if pursued correctly and with persistence. Furthermore, an effective grant program can be made into a recurring source of funds from the same corporations and foundations. The most important factors in an effective grant program is 1) CAP's federal tax exempt status, 2) the effective "selling" of CAP's missions and needs and 3) assuring and providing potential grant organizations publicity and recognition of their generosity.

#### 12. Percentage Professional Fund Raising.

- **a.** The use of fund raising promoters who charge a percentage of the proceeds is prohibited.
- **b.** Civil Air Patrol units are prohibited from entering into contracts with these types of fund raising programs. However, there are other types of fund raising activities allowing the unit to retain a percentage of the selling price of a product that may be approved. These types of fund raising activities will require the approval of NHQ/GC and NHQ/COD. Requests should be submitted through the respective wing or region commander, which ever applies.
- 13. Suggested Local Unit Fund Raising Activities. Units should make sure that fund raising activities do not violate local laws or ordinances. In many areas, permits or licenses are required for certain activities. It is the unit commander's responsibility to make sure these are obtained where applicable. These are a few of the many ideas for local units fund raising:
  - **a.** Raffles or ticket sales for drawings of merchandise if permitted by local law.
- **b.** Operation of concession booths at air shows, state fairs or other type of activities. These booths can sell hot dogs, soft drinks, cookies, etc. (See prohibited activities in Paragraph 14 below for air show prohibition.)
  - **c.** Car or aircraft washes.
  - d. Rummage sales and bake sales.
  - e. Collecting and selling recyclable items such as paper, bottles, cans, etc.
  - **f.** Sale of advertising space in CAP unit newspapers, also sale of bumper stickers.
  - **g.** Sale of Christmas items such as trees and Christmas cards.

### 14. **Prohibited Fund Raising Activities.** The following activities are prohibited:

- **a.** Sponsoring or Flying in Air Shows. No CAP unit will sponsor or co-sponsor any air show or participate in any flying activities in any air show. This is important as such activities would jeopardize CAP's aviation liability insurance.
- **b.** Penny a Pound Airplane Rides. No CAP unit may in any way conduct flights carrying a passenger for a charge, and this is specifically prohibited by CAP's aviation liability insurance.
  - **c.** Dropping Objects from Aircraft or Spot Landing Contests.
- **d.** Percentage Professional Fund Raising. These programs are prohibited as outlined in Paragraph 12b above.
- **e.** Personal Pecuniary Gain. No CAP member will engage in fund raising activities which results in a pecuniary benefit to that member. This does not prohibit CAP members being reimbursed for legitimate expenses incurred in fund raising activities.
- **f.** Sale of Alcoholic Beverages. No CAP member will engage in the sale of alcoholic beverages.

**g.** Gambling (or gaming). No CAP unit or member will engage in gambling (the act of risking or giving something of value for the opportunity to obtain a benefit from a game or contest of chance or skill or a future contingent event) as a fund raising activity, including, but not limited to bingo and pull-tab operations in which money or something of value is risked in order to participate. (Raffles or ticket sales for drawings of merchandise are authorized in accordance with paragraph 15a.)

### **15. Booster Clubs.** Booster clubs, when created are for the sole support of the local CAP Squadron.

- **a.** Parents, community leaders and CAP members may create booster clubs to support local units. Such booster clubs must exist as entities wholly separate and apart from any CAP control and bear sole responsibility for compliance with local, state and federal laws.
- **b.** CAP commanders at all levels, and executives (managerial employees) are prohibited from participating in the creation, organization or control (serving in positions of authority) in these organizations. Serving in an advisory capacity, to report on the status, needs and wants of a unit and its members, is acceptable. (Not applicable to booster clubs formed before 4 December 2006.)
- c. Booster clubs may not utilize the name "Civil Air Patrol" or any abbreviation thereof as part of their names or identification. (Not applicable to booster clubs formed before 4 December 2006.) No booster club may use "United States Air Force Auxiliary in its name or identification. Booster clubs may in no way be affiliated with CAP and under no circumstances utilize or imply affiliation with CAP's EIN.
- **d.** Subject to the approval of the wing commander, booster clubs may use the name of the unit as part of their names or identification. For example, "Friends of Wright Brothers Composite Squadron 123" would be acceptable. (Not applicable to booster clubs formed before 4 December 2006.)
- e. Serving concurrently in positions of control in CAP (CAP commanders at all levels, and executives [managerial employees]) and a "booster club." is prohibited. Members of CAP squadrons are prohibited from holding any office in a booster club that provides any type of financial assistance to the Squadron.
- f. Wear of the Civil Air Patrol uniform and similar clothing while performing fund raising for Booster Club is prohibited. Garments (e.g. squadron t-shirts) identifying the squadron and not referring to Civil Air Patrol are acceptable. Garments (e.g., squadron t-shirts or other forms of clothing identifying the squadron) are not to be worn in conjunction with any activity with the booster club.
- **g.** Unit funds must not be transferred to a booster club, either as a donation or to pay for any booster club expenses.
